

Access to care starts with the right network

Through EyeMed's Insight network, **Unum VisionSM Powered by EyeMed** provides the right mix of independent and retail providers – including popular national chains and regional favorites, as well as online options.

With the EyeMed Insight network, you have access to care and services that offer more flexibility, choice and savings.

Insight Network Provider Access Points¹:

About **87,000** total in-network provider access points.

Nearly **25,000** in-network provider locations.

Nearly **19,000** total in-network independent provider locations.

About **6,000** total in-network retail locations.

Additional benefits include...

- › Online, in-network options at ContactsDirect.com and Glasses.com.
- › Service that is always open to new patients & without an appointment.
- › Locations with extended evening and weekend hours.
- › Access to top brands like Ray-Ban, Oakley and many more!
