

# A QUICK CALL CAN SAVE YOU \$250 A YEAR<sup>1</sup>

## Get Answers

Haven't had an in-depth chat with your doctor about your medications? Get a quick review with your Tria pharmacist.

## Save Money

By completing your consultation over the phone, you will receive a **\$50 Tria Health gift card**. Participants with diabetes will also have FREE access to a blood glucose meter and testing supplies.

## Feel Better

You're doing everything right, but you still don't feel great? Let's see if there are any opportunities for improvement.

## Tria Health is a Free and Confidential benefit available through your health plan.

Not only will Tria Health's pharmacists make sure your medications are working as intended and that you're on the right medications, but they can support you by creating a care plan that is specific to your needs and share it with your doctor. Talk to a Tria pharmacist over the phone and receive the personalized care you deserve.

## You Should Participate If...

You have the following conditions and/or take multiple medications:

- Diabetes
- Heart Disease
- High Cholesterol
- High Blood Pressure
- Specialty Medications
- Pain
- Mental Health
- Osteoporosis
- Asthma/COPD
- Migraines
